## OBJECTS OF AMSA

To promote liaison between scattered centres and workers in the many disciplines of marine sciences in all States, through a quarterly Bulletin, through meetings and conferences or any other means and to promote co-operation between them. Membership is open to scientists or corporate bodies engaged in marine research or to students of marine science approved by the council of the Association. AMSA aims to improve the public's 'image' of marine scientists and to forward their interests generally.

### ANNUAL SUBSCRIPTION RATES:
