

Name	Organisation / Address	Research Interests
Albani, A.D. Dr	Geology Department, University of N.S.W.	marine geology, stratigraphy forams
Badham, Judith A.	Zoology Department, University of Queensland.	salt marsh ecology
Bailey, A.	Botany Department, University of Adelaide.	
Baker, J.T.	Chemistry Department, University College, Townsville.	chemistry of mollusc dyes
Beasley, A.W. Dr	National Museum, Melbourne.	bottom sediments
Beesley, J.	C.S.I.R.O. Division of Forest Products.	marine borers
Bennett, Isobel I.	Zoology Department, University of Sydney.	intertidal ecology
Blick, R.	C.S.I.R.O. Division of Fisheries and Oceanography.	fouling ecology; benthos)
Bock, P.E.	Geological Survey, Department of Mines, Victoria.	
Bollen, A.G.	Fisheries Division, Department of Primary Industry, Canberra.	fisheries economics)
Bowen, B.K.	Fisheries Department, Western Australia.	crayfish
Bowler, J.M.	Geology Department, University of Melbourne.	marine sedimentation)
Browse, R.	Geology Department, University of Adelaide.	
Bryan, Judith A.	Zoology Department, University College, Townsville.	
Buick, W.G.	State Public Library of South Australia.	bibliography of mollusca and brachiopods)
Bunt, J.S. Dr	School of Agriculture, University of Sydney.	marine microbiology
Butcher, A. Dunbavin	Fisheries and Wildlife Department, Melbourne.	fisheries management)
Cameron, Ann M.	Zoology Department, University of Queensland.	soldier crabs, Mictyridae)
Campbell, B.	Zoology Department, University of Queensland.	taxonomy of Sesarminae (Crustacea Brachyura)
Carter, A.N. Dr	Geology Department, University of N.S.W.	marine geology, stratigraphy, forams
Carter, Jean J. Mrs	8 Scott Street, Maroubra Bay, N.S.W.	zoogeography of mollusca and forams
Castillejo, F.F. de	C.S.I.R.O. Division of Fisheries and Oceanography	sea level studies
Caton, A.	Department of Fisheries and Game, S.A.	biology of whiting
Chapman, V. J. Prof	Botany Department, University of Auckland.	salt marsh ecology
Chittleborough, R.G. Dr	C.S.I.R.O. Division of Fisheries and Oceanography.	biology of vjaales and crayfish
Choat, H.	Zoology Department, University of Queensland.	ecology of reef fishes
Coppleson, V.M. Dr	231 Macquarie Street, Sydney.	biology of sharks
Cribb, A.B. Dr	Botany Department, University of Queensland	marine fungi and phycology
Davies, R.M. Capt	C.S.I.R.O. Division of Fisheries and Oceanography.	research cruise operation planning
Ducker, Sophie C. Mrs	Botany Department, University of Melbourne.	littoral vegetation of Wilson's Promontory
Edmonds, S.J.	Zoology Department, University of Adelaide.	
Evans, Faith Mrs J.W.	Zoology Department, University of Sydney.	
Fielder, D.	Zoology Department, University College of Townsville	taxonomy and biology of decapods
Francois, D.D. Dr	Fisheries Branch, Chief Secretary's Department, N.S.W.	fisheries biology
Fryer, J. J.	Ports and Harbours Branch, Public Works Department,	

Name	Organisation / Address	Research Interests
	Melbourne.	
Gates, D.J.	Fisheries Division, Department of Primary Industry, Canberra.	fisheries management
George, R.W.	Curator of Invertebrates, Western Australian Museum.	taxonomy and biology of crustacea)
Gill, E.D.	National Museum, Melbourne.	quaternary marine faunas
Gilmour, A.D.	Fisheries and Wildlife Department, Melbourne.	biology of whiting
Glenie, R.C.	Geological survey, Department of Mines, Victoria.	
Goddard, C.K. Dr	Zoology Department, University of N.S.W.	
Gorman, T.B.	Fisheries and Wildlife Department, Melbourne.	biology of yellow-eye mullet
Gough, J.H.	Chemistry Department, University of Queensland.	chemistry of marine pigments
Greenwood, J.G.	Zoology Department, University of Queensland.	plankton ecology
Griffin, D.J.G.	Zoology Department, University of Queensland.	taxonomy and ecology of grapsid crabs
Grigg, Helen	Zoology Department, University College of Townsville.	plankton ecology
Grigg, G.	Zoology Department, University of Queensland.	
Gulland, J.A.	Fisheries Laboratory, Lowestoft, Suffolk, England.	population dynamics
Hailstone, T.S.	Zoology Department, University of Queensland.	synecology of intertidal faunas and subtidal benthos
Hamon, B.V.	C.S.I.R.O. Division of Fisheries and Oceanography.	instrumentation, sea-level, water-mass movements
Han, V.C.F.	C.S.I.R.O. Division of Fisheries and Oceanography.	biology of morwong
Haysom, N.M.	Department of Harbours and Marine, Queensland.	biology of prawns
Hill, Prof. Dorothy	Research Professor of Geology, University of Queensland.	structure of coral reefs
Hodgkin, Dr E.P.	Zoology Department, University of W.A.	intertidal ecology
Humphrey, Dr G.F.	C.S.I.R.O. Division of Fisheries and Oceanography,	biochemistry of planktonic algal pigments
Jell, J.S.	Geology Department, University of Queensland.	carbonate sedimentation)
Jitts, H.	C.S.I.R.O. Division of Fisheries and Oceanography.	productivity studies using C 14
Kenny , R.P.	Zoology Department, University of Queensland.	taxonomy of nudibranchs
Kesteven, Dr G.L.	C.S.I.R.O. Division of Fisheries and Oceanography.	population dynamics
Knox, Prof. G.A.	Zoology Department, Canterbury University, Christchurch, N.Z.	intertidal ecology; polychaet systematics
Lake, J.S.	Inland Fisheries Research Station, Narrandera, N.S.W.	biology of freshwater fishes
Ling, J.K.	Antarctic Division, Department of External Affairs, Canberra.	
Lockwood, D.R.	C.S.I.R.U. Division of Fisheries and Oceanography.	instrumentation
Loughman, F.C.	Geology Department, University of N.S.W.	
Lynch, D.D.	Fisheries and Wildlife Department, Melbourne.	fisheries management
MacIntyre, Dr D.J.	C.S.I.R.O. Division of Fisheries and Oceanography.	benthic ecology
McKenzie, K.	Geology Department, University of W.A.	
McMichael, Dr D.F.	Curator of Molluscs, Australian Museum, Sydney.	taxonomy of molluscs
MacPherson, J. Hope	Curator of Molluscs, National Museum, Melbourne.	taxonomy of molluscs)
McWilliam, Paulette	Zoology Department, University of Sydney.	planktology)
Madgwick, J.C.	C.S.I.R.O. Division of Fisheries and Oceanography.	biochemistry of phytoplankton pigments
Maiklem, W.R.	Geology Department, University of Queensland.	carbonate sedimentation

Name	Organisation / Address	Research Interests
Malcolm, Dr W.B.	C.S.I.R.O. Division of Fisheries and Oceanography	biology of the Australian salmon
Maxwell, Dr W.G.H.	Geology Department, University of Queensland.	sedimentation
Milward, N.E.	Zoology Department, University of Queensland.	biology of Periophthalmidae and Blenniidae)
Mitchell, J.	South Australian Museum.	
Mitchell, Mrs A.	Botany Department, University of Adelaide.	
Mittler, A.	Geosurveys of Australia Ltd, Adelaide.	geological and biological surveys
Newell, B.S.	C.S.I.R.O. Division of Fisheries and Oceanography.	chemistry of nutrients
Nicholls, Dr A.G.	C.S.I.R.O. Division of Fisheries and Oceanography.	taxonomy and biology of copepods; fisheries biology
Olsen, A.M.	Harbour Board, Adelaide.	
O'Malley, D.	Alginates of Australia Ltd, Tasmania.	biology of crayfish; algal ecology
O'Farrell, Prof. A.F.	Prof.)	Zoology Department, University of New England.
Phipps, Dr C.V.G.	Department of Geology and Geophysics, University of Sydney.	marine stratigraphy
Pitsis, N.	C.S.I.R.O. Division of Fisheries and Oceanography.	instrument design
Pope, Elizabeth	Australian Museum, Sydney.	intertidal ecology, taxonomy of barnacles
Potts, D.C.	Zoology Department, University of Queensland.	
Price, I.R.	Botany Department, University of Melbourne.	autecology and life history of algae
Racek, A.A. Dr	Zoology Department, University of Sydney.	taxonomy and ecology of prawns
Robins, J.	C.S.I.R.O. Division of Fisheries and Oceanography	biology of tunas
Rochford, D.J.	C.S.I.R.O. Division of Fisheries and Oceanography	dynamics of water masses
Russell, Dr F.S.	F.R.S., Director, The Laboratory, Marine Biological Association of the United Kingdom.	
Sasse, Dr W.H.F.	Department of Organic Chemistry, University of Adelaide.	chemistry of natural marine products
Setter, C.	Fisheries Division, Department of Primary Industry, Canberra.	fisheries management
Shepherd, S.A.	South Australian Institute of Technology.	
Slack-Smith, R.J.	Fisheries Department, Western Australia.	biology of prawns
Smith, G.G.	Botany Department, University of W.A.	
Southcott, Dr R.V.	South Australian Museum, Adelaide.	coelenterate taxonomy
Sprigg, R.C.	Geosurveys Ltd, Adelaide.	geological and biological surveys
Sproston, Norah	C.S.I.R.O. Division of Fisheries and Oceanography	fisheries biology; parasitology
Stark, A.	C.S.I.R.O. Division of Mathematical Statistics.	population dynamics; experimental design
Stead, Mrs T.Y.	14 Pacific Street, Watson's Bay.	
Steel, T.M.	Mines Department, South Australia.	paleontology
Stephenson, Prof. W.	Zoology Department, University of Queensland.	crustacean systematics; benthic ecology
Stock Prof. A.	Zoology Department, University of New England.	

Name	Organisation / Address	Research Interests
Strahan, R.	Zoology Department, University of N.S.W.	biology of lampreys and hagfishes)
Straughan, Mrs D.M.	Zoology Department, University of Queensland.	taxonomy and life history of Serpulids
Sutherland, Dr M.D.	Chemistry Department, University of Queensland.	
Svenson, Dorothy	Geology Department, University of N.S.W.	marine geology
Talent, Dr J.A.	Geological Survey, Mines Department, Victoria.	
Taylor, D.J.	Geological Survey, Mines Department, Victoria.	
Thomas, I.M.	Zoology Department, University of Adelaide.	
Thomson, Dr J.M.	C.S.I.R.O. Division of Fisheries and Oceanography.	fisheries biology; fish behaviour
Thrower, L.B.	Botany Department, Melbourne University.	
Thrower, Mrs L.B.	Botany Department, Melbourne University.	
Timms, B.V.	Zoology Department, University of Queensland.	
Tranter, D. J.	C.S.I.R.O. Division of Fisheries and Oceanography.	plankton ecology
Tuma, D.J.	Fisheries Branch, Chief Secretary's Department, N.S.W.	biology of trout)
Von der Borch, C.C.	Geology Department, University of Adelaide..	
Vaux, D.	C.S.I.R.O. Division of Fisheries and Oceanography.	water movements; fish ecology
Vohra, F.C.	Zoology Department, University of Queensland.	ecology of Zostera beds)
Watson, Mrs J.E.	74 Nimrno Street, Essendon, Victoria.	submarine geological topography
Whitley, G.P.	Curator of Fishes; Australian Museum, Sydney	taxonomy of fishes
Williams, N.J.	Fisheries Branch, Chief Secretary's Department, Sydney.	biology of Australian bass
Wisely, B.	C.S.I.R.O. Division of Fisheries and Oceanography.	ecology and taxonomy of fouling organisms
Wollaston, Elise M.	Botany Department, University of Adelaide.	
Womersley, H.B.S.	Botany Department, University of Adelaide.	
Wood, D.H.	Zoology Department, University of Queensland.	
Woodland, D.J.	Zoology Department, University of New England.	
Yaldwyn, Dr J.C.	Curator of Crustacea, Australian Museum, Sydney.	taxonomy of crustacea
